Dear Neighbour,

Subject: Consultation on the redevelopment of the former Viger Station and Hotel site

The Office de consultation publique de Montréal (OCPM) has begun its consultation on the redevelopment of the former Viger Station and Hotel site. This is a decisive stage in the project we are planning for this site. Following the consultations, the OCPM will issue recommendations to Montréal city council concerning zoning changes so that the project can go ahead.

The OCPM has already held two public meetings on the project on October 23 and 24. At these two meetings, participants had an opportunity to find out about the project, the stages in approving it and the necessary zoning changes.

On November 21, citizens will be asked to present their opinions during a meeting to be held at 1550 Metcalfe, 14th floor, at 7 PM. We encourage you to attend this meeting and offer your evaluation of the project we are proposing, along with your suggestions for improving it. You can also send the commission a brief, which must reach the OCPM by November 16 at the latest. You will find information on the project and the public consultation on the website www.ocpm.qc.ca.

In the meantime, we will be displaying the model of the project for those of you who haven't had a chance to see it, and anyone who would like to see it again.

Dates: November **10** and **11**: 11 AM to 4 PM
November **12**, **13**, **14** and **15**: 4 PM to 8 PM

Place: **373 Berri**, across from Dalhousie Square
