

MEMORANDUM

* Title of Project - RESIDENCE DES PIONNIERS DES CARAIBES - Registered as Dossier 3663699607 in Quebec

* The Caribbean Pioneer Women of Canada Inc. are presenting this memorandum. We are a group which was founded in 1990 by Thelma Johnson for women who came to Canada in the 1950's to work under the Domestic Scheme and who have made Montreal their home. They now wish to give back to the society by supporting the elderly and granting scholarships to the youth in the community.

* Our goal is to establish a Residence for Caribbean seniors where they may feel comfortable. They would be supplied with food and activities in accordance with their culture.

* As we know, the community is aging and so are Caribbean seniors. There is great need for such a place.

* Our concerns are mainly financial. We need a building with facilities for seniors (eg an elevator). We can supply personnel to work in the building
