## Old food production method:

"As one Florida farmer said, 'I don't get paid a single cent for flavor' "- Barry Estabrook in "Tomatoland"

## Traditional Agriculture:

of the planet's 70% accessible freshwater.

**37%** of Earth's land area is agricultural land

30% of global energy consumption

20% of global greenhouse effect gas emissions

"Twenty thousand farm workers in the US require medical treatment for acute pesticide poisoning each year."

- John Boer in "Nobodies"

The original architectural concept of the Lufa Farms Greenhouse.
